

EIS ELECTRONIC TRANSMISSION SCHEDULE

DISTRICTS SHOULD TRANSMIT TO EIS AT LEAST WEEKLY

Please note that all data/extract errors should be cleaned up by the report approval due date. In order to minimize errors in later extracts, please send the extracts as grouped on the schedule. Errors in basic record types should be cleaned up before sending the next extract group.

Transmission Deadline	Required Reports	Data Type	Electronic Extracts Required
-----------------------	------------------	-----------	------------------------------

<p>First transmission no later than May 15</p> <p>EIS district calendar corrected and approved no later than June 1</p>	200 Day Accountability Report	District Calendar Data	<p>Only District Calendar data should be sent. Districts must check calendar details and the Report for accuracy and transmit corrections. Extracts required: 010 – 200 Day Calendar 011 – 200 Day Event Calendar</p> <p>The 200-Day Accountability Report(s) should be approved online by Districts and SDE. The district calendar(s), extracts 010 and 011, should be sent and corrected before any of the school calendars are sent. Each school calendar must have a district calendar loaded before the school calendar will load.</p>
<p>First transmission no later than July 1</p> <p>Should be corrected no later than July 14</p>		School Calendar Data	<p>ALL PRIOR EXTRACTS AND CHANGES MUST BE SENT BEFORE THESE EXTRACTS.</p> <p>School Calendar Data will be captured at the district and transmitted for all schools within the district. This includes every active school that has a school number assigned. Extracts required for each school: 020 – Instructional Program 021 – Instructional Program Report Period 022 – School Days Each school calendar, extracts 020, 021, and 022, must be sent and corrected before any other extracts are sent because the other data must be attached to a school calendar. School Calendar Details should be reviewed for every school.</p>

Transmission Deadline	Required Reports	Data Type	Electronic Extracts Required
<p>First transmission no later than August 15</p> <p>Corrections sent no later than September 10</p> <p>Reports approved in EIS no later than October 1</p>	<p>Fall Preliminary Report – Grades PK-12 School Report, Preliminary Staff, Deficiency Report</p> <p>All Data Type extract groups for this deadline are required for the reports</p>	<p>Student, Staff, and Class Basic Records</p>	<p>ALL PRIOR EXTRACTS AND CHANGES MUST BE SENT BEFORE THESE EXTRACTS.</p> <p>These extracts should be sent from every active school that has staff, students, and classes being taught. Extracts required for each school:</p> <p>040 – Student</p> <p>060 – Staff Member</p> <p>062 – Staff Member Current Assignment</p> <p>030 – Class Section</p> <p>These are basic extract types for Student, Staff, and Class that should be sent and errors corrected before other extract types are sent. If any of these are rejected, other extracts that depend on these loading will also be rejected and will cause many problems.</p>
		<p>Student and Class Details</p>	<p>Transmit other data about students and classes from every active school.
